# QUALITY, SAFE & WEATHERPROOF

**Decorative Lighting Company** are a Gold Coast-based importer & supplier of event fairy lighting and festoon lighting. We are a unique niche business that specialise in quality, low energy use LED lighting and have over 30 years' experience creating memorable events and everyday occasions. We offer consultation, supply and installation services to support your creative ideas. We supply to many councils, business associations, main street organisations, event companies, private homes and hospitality businesses all over Australia.

## FAIRY LIGHTING

The fairy light system uses energy efficient, energy-saving LED technology requiring a 24volt transformer as the power supply. Using the systems unique end2end connections, you only handle one small piece at a time when installing the lights strings.

### SOME BENEFITS OF OUR FAIRY LIGHTING THAT MOST OF OUR COMPETITORS CAN'T OFFER:

- ✓ 12 MONTH WARRANTY – We stand by the quality of our product. Deal direct with the importer. Australian based supplier for answering questions, queries and prompt courier delivery.
- ✓ SIMPLE END2END CONNECTIONS – Purchase what you need and using accessories you can create your lighting design.
- ✓ LOW VOLTAGE AND SAFE – 24volt powered lighting is a practical solution for use in public spaces and safe when used outdoors.
- ✓ OUTDOOR DURABILITY AND FLEXIBLE – The system is weatherproof (IP44) and designed for permanent outdoor use.

## 4 KEY CONSIDERATIONS WHEN ORDERING FAIRY LIGHTING:

SIMPLE DIY 'Do It Yourself' OR  
Ask US ABOUT AN Installation Quote

### 1. TYPE OF FAIRY LIGHTING APPLICATION

### 2. HOW MANY METRES DO YOU NEED?

### 3. CHOOSE YOUR LED COLOUR(S)

### 4. CHOOSE YOUR POWER SUPPLY

5. Easy...  
Install

QUALITY, SAFE & WEATHERPROOF
